Key Information -

1st International Conference on Green Innovation and Circular Economy (GR-I-CE 2024)

Dear Colleagues,

We are excited to welcome you to the **1st International Conference on Green Innovation and Circular Economy (GR-I-CE) 2024**, now just a few days away! Below are some important updates and information to help you prepare.

Key Information:

- **Preliminary Agenda:**
  The preliminary agenda is now available and has been updated to include your presentation. You can download it from *https://griceconf.eu/agenda/*.
- **Registration:**
  If you have not yet completed your registration, please do so at your earliest convenience. Registration is required to enter the conference or to receive the link for online participation a few days before the Conference. It is also required for special features such as the B2B Meetings. Complete your registration *here*.
- **B2B Meetings Feature:**
  Soon, you will receive a link to our B2B Meetings platform, where you can create your profile and start searching for other participants to connect with during the conference.
- **Special Events:**
  We have several exciting events planned throughout the conference:
  - **Opening Event: Wine, Music & Networking**
    Join us for a relaxed evening of wine and live music, offering a great opportunity to network with fellow participants.
  - **Closing Events:**
    - **Plenary Special Session & Film Concert - ALPHA MISSION - ΔELOS & The [uncertain] Four Seasons**
      Coordinated by the **World Human Forum**, this Pan-European Concert for life on our planet will feature the **European Union Youth Orchestra** and acclaimed violinist **Diana Tischenko**, held amid the ancient ruins of Delos and broadcast live globally.
      This initiative combines **mythology, art, and technology** to fight against climate change, coinciding with NASA's mission to land the first woman on the moon by 2025.

- **Closing Ceremony:**
  The conference will conclude with a **Dinner and Musical Event**, offering a celebratory atmosphere to mark the end of the event.
- **Recreational Activities** on the Final Day of GR-I-CE 2024 to explore the Heritage and Beauty of Greece

We are looking forward to a successful and inspiring event and welcoming you to our Conference. If you have any questions or require further information, don't hesitate to contact us.

On behalf of the Organizing & Scientific Committee,

Kind Regards,

Professor Konstantinos Aravossis
Chair of the Organizing Committee
UNESCO Chairholder on Green Innovation and Circular Economy of NTUA
